

PRESS RELEASE

ONELIFE APPOINTS NEW CEO TO DRIVE GLOBAL GROWTH AMBITIONS

LUXEMBOURG, 24 April 2018 – As a result of differences of views on the strategy and the future direction of OneLife, Marc Stevens, CEO of OneLife, and the Company have decided to separate their ways, and Marc will pursue new opportunities. We thank Marc for his valuable contributions to our company's restructuring, re-branding and improvement of the profitability. We wish him well in his new endeavours.

The Board of OneLife has appointed Antonio Corpas to the position of Managing Director & Chief Executive Officer (subject to regulatory approval). In this capacity, Antonio joins the Board of OneLife as Director. He will report to Thierry Porté, Executive Chairman and Director of OneLife.

Antonio has held the position of Head of Tax & Legal and Group General Counsel at OneLife (and its predecessor companies) for the past ten years. During that time, he has been instrumental in building the company's expertise in the areas of Wealth Structuring, Investment Fund Services and Non-Traditional Assets. He played a key role in the corporate reorganisation and repositioning of the Group, thanks to his international profile, technical skills and business-oriented approach.

This new appointment is in line with the OneLife growth strategy launched in 2016:

- to position the brand as a specialist provider of cross-border wealth solutions using life assurance across core markets and internationally
- to increase our market share by reaping the benefits of significant investment made throughout the business over the past 2 years
- to continue to serve our valued partners and clients effectively using digital capabilities to enhance the customer experience, so making it easy to do business with us.

In a statement, the Board of OneLife said: *"We are pleased and fortunate to have in Antonio Corpas a highly-experienced individual with a deep knowledge of all aspects of the Luxembourg life insurance business and a strong track record of professionalism and collaboration with partners, clients and colleagues. We welcome him to our Board and wish him well in the important leadership role at OneLife"*.

Commenting on his appointment, Antonio Corpas said:

"I am delighted to accept this new role and would like to thank the Board members for their trust and confidence. I look forward to leading OneLife, putting in place solutions for our partners, clients and employees which are in line with our business model and which support our global ambitions".

About OneLife

OneLife exists to overturn conventional attitudes to life assurance. As a specialist in this area with over 25 years' experience, we develop cross-border financial planning solutions for Ultra High Net Worth, High Net Worth, and High Affluent clients across Europe and beyond.

Whether it's a question of long-term savings, inheritance planning, or simply understanding how to better manage your wealth, we are dedicated to providing sophisticated, compliant and innovative solutions that are crafted to suit each individual and their evolving needs.

Together with a solid network of select partners — including private banks, family offices and independent financial advisors — our dynamic team of international experts offer a fresh approach that helps understand and anticipate the needs of wealthy clients in a world of change.

With over €5bn in assets under management, OneLife is owned by J.C. Flowers & Co — one of the leading investment firms in the international finance industry.
